

Clark's Corner

Our first month of school is off to a great start. I hope your children are coming home with some great stories and experiences to share. I know we have seen a lot of excitement with the introduction of the Mobile Tech Lab and the unit on Robotics.

Riverside is a Title I School-Wide school. On Tuesday, Oct. 2 the Title I program will be sponsoring BINGO Night from 5:00 to 6:30. Pizza will be available to purchase starting at 5:00 with BINGO beginning at 5:30. Come and enjoy a fun family night and learn a little about Riverside's Title I School-Wide serves.

Riverside begins serving breakfast at 7:30. If you bring your child(ren) to school in the morning and they need breakfast they should be here before 8:00. After 8:00 students will still get served breakfast if needed, but they will need to take it to their classroom. In order to avoid this challenge it is best to have them here by 8:00. This gives them time to get settled into the classroom and prepare for the start of their day.

If you are looking for ways to support Riverside please inquire with your child's teacher or the main office on ways you can volunteer your time and talents. We have a Parent/Teacher Organization (PTO) that meets the second Tuesday of each month at 5:30. I would encourage all families to check out this great organization and see how you can get involved. Our PTO does need your help if we are going to continue to offer great family activities. You can also check out our schedule of events on the Riverside website at www.riverside.isd181.org or by finding us on Facebook. Our next PTO meeting is October 9th at 5:30. We'd love to see you there.

Watch for more information about upcoming Parent/Teacher Conferences on October 6 and 11.

Riverside Families:

October is National Bullying Prevention: Stomp Out Bullying Month. Riverside student ambassadors are sponsoring this focus at Riverside. All Students are invited and encouraged to dress in **Blue** on **October 1**, in honor of World Day of Bully Prevention to show support.

Riverside School is a very respectful school. We rarely have bullying issues to address. Bullying is unwanted, behavior repeated over time with an imbalance of power. Not everything that happens between students is bullying. There are mean moments and poor decisions. Someone name calling once or pushing in line is not bullying, but staff at Riverside School work to address all of these moments. Please consider reading the following with your student at home to help them understand.

Thank you – Riverside Staff
